

The GLUE Crew News

Pictured are Liberti (helper), Ethan, Evan and Lauren. Day 2 of Wide Water Mission Work

Dear Parents and Youth,

First of all, thank you to those who were able to volunteer at Wide Water. Your hard work was and is greatly appreciated! Due to schedule conflicts, sports and vacations, many of the youth were unable to attend, but no worries, there will be other opportunities. We have had a great month, working the car wash (was that really work?), a big thanks to Brandi, Lauren and Ethan's mom for lending a hand, and to Kim, Hunter's mom, for helping clean up our mess afterwards! We have been invited to 2 swim parties this summer. 1 will be hosted by the Keplinger family, tentative date is July 16, the other will be at the home of the Stockmans', that date is to be determined yet. Also, we will have another car wash in July, and a few Fun Nights for the youth, and families. PLEASE, help me make sure we can get as many youth as possible, let me know the day/night and times that work best for everyone. Blind volleyball? Hmmm... sounds fun. Pastor has also said he'd like to take a group to Wide Water for a fishing day.

Another event we can participate in is the Tomatoo Fest Parade! The theme this year is Youth Leaders, that fits us perfectly! We can build a float, possibly win some money, have fun and recruit all at the same time. Please let me know your thoughts on this idea asap. Kelsey will be leaving us soon, so I would love to have a Good Luck n' God Bless Party for her, no one wants to say Goodbye, so we will keep it happy and just say Good Luck. To make anything possible, I desperately need the input from the youth and parents, so please, give me your input and day/time availabilities! Thank you so much parents, without your support, the GLUE Crew would not be possible!
