We are the people of
THE UNITED METHODIST CHURCH

We believe in...

Making disciples of Jesus Christ for the transformation of the world.

We live by two kinds of holiness.

- **Personal**
- **Social**

We follow three simple rules.

- **Do no harm.**
- **Do Good**
- **Stay in love with God.**

We work in four areas of focus.

- **Developing leaders**
- **Creating places for new people**
- **Eliminating poverty**
- **Improving health globally**

We serve in the Five Fruitful Practices of Congregations.

- **Radical hospitality** means we offer the absolute utmost of our abilities, our creativity, and ourselves to offer the gracious invitation and welcome of Christ to others.
- **Passionate worship** means an extraordinary eagerness to offer the best in worship, honoring God with excellence and with an unusual clarity about the purpose of connecting people to God.
- **Intentional faith development** encompasses all the ministries that help us grow in faith outside of weekly worship. It requires deliberate effort, purposeful action, and high priority.
- **Risk-taking mission & service** involves efforts to alleviate suffering and injustice and improve the conditions of others in the name of Christ.
- **Extravagant generosity** describes practices of sharing and giving that exceed all expectations and extend to unexpected measures.

We are the people of THE UNITED METHODIST CHURCH - umc.org

Women's Issues

General Commission on Status and Role of Women

Challenges The United Methodist Church to a commitment to the full participation of women in the complete life and mission of the church. The commission serves as an advocate for and on behalf of women, seeks to eliminate inequities in relation to women in the church, and monitors the general agencies, institutions, and connectional structures to ensure inclusiveness of women.
