Local Church Survey Concerning Hispanic/Latino Ministries  
(please use additional sheets of paper if needed)

Are you aware of Hispanic/Latino persons in your community? If so, are they first generation (just arrived, Spanish speakers) or second/third generation?

Are there any activities in which your church is currently involved that meets the specific needs or interests of Hispanic persons? If so, please list

Do any of the persons who relate to your church (members or participants) have a background in or knowledge of the Hispanic/Latino culture and languages? If so, please list

What persons that relate to your church either work or attend school with Hispanic/Latino persons? (Example: Perhaps you have a public school teacher who have Hispanic children in their classroom) Please specify

Would your church be interested in participating or sponsoring with another church in ministry that specifically reaches Hispanic/Latino persons

Please list any Hispanic/Latino (including non-Methodists) congregations or ministries near your church
