# Spiritual Leaders Exhibit Faith, Fire & Fruits

---

The West Ohio Conference is seeking clergy that are serving as the spiritual leaders of local churches to strengthen existing churches and to start new churches. Each of the Eight Qualities and Characteristics that we have used as our standard dovetail with John Wesley's call for spiritual leaders. These spiritual leaders must exhibit faith, fire, and fruits. (*John Wesley, Vol. VIII, 323-325 identified the 3 hallmarks of spiritual leadership as faith, fire, and fruits.*)

Each leadership rating is based on a 1-5 rating scale as follows:

- 1 = Never exhibits the quality or character
- 2 = Sometimes exhibits the quality or character
- 3 = Exhibits the quality or character but it is not a strength of leadership
- 4 = Exhibits the quality or character often and is a strength of leadership
- 5 = Is an integral part of the leadership style and is exhibited all or most of the time
- DK = Don't Know / Did not observe

Space for comments is provided for each rating and written feedback is desired and welcomed.

Please provide comments & suggestions for improvement for any item with a rating of 1 or 2.

# Goals And Continuing Education

All pastors should use a goal setting/achievement process and participate in continuing education opportunities in an ongoing effort to improve the effectiveness of their ministry. S/PPRC's should work with their pastor to establish meaningful goals and hold them accountable to achieve expected results. Any item in the evaluation that had a rating of 1 or 2 should have a corresponding self-improvement goal itemized using the following format. All pastors should have a minimum of 1 goal each year. Goals may also be specific needs in relation to the vision of the church. The maximum number of goals for each pastor will vary and should be agreed to by the pastor and S/PPRC.
